The National Association of Broadcasters applauds the 159 members of Congress supporting local radio stations and the towns and cities we serve by cosponsoring the Local Radio Freedom Act. Local radio stations are the pulse of communities across the nation, providing the quality entertainment, weather, news and emergency information listeners need and want. A performance tax on local radio is bad for radio, bad for artists and bad for listeners.

**Learn more at [NoPerformanceTax.org](http://NoPerformanceTax.org).**

**#SupportLocalRadio**

Local Radio Freedom Act cosponsors as of April 12, 2015
