Additional Spectrum for Unlicensed Devices Below 900 MHz and in the 3 GHz Band	)	ET Docket No. 02-380
	)	

To: The Commission

**EX PARTE COMMENTS OF THE ABC TELEVISION AFFILIATES ASSOCIATION,  
CBS TELEVISION NETWORK AFFILIATES ASSOCIATION, AND THE NBC  
TELEVISION AFFILIATES**

The ABC Television Affiliates Association, CBS Television Network Affiliates Association, and the NBC Television Affiliates hereby endorse the Emergency Request filed in the above-captioned proceeding on October 17, 2008, by the Association for Maximum Service Television, Inc., the National Association of Broadcasters, the ABC, NBC, CBS, and Fox Television Networks, the Association of Public Television Stations, and the Open Mobile Video Coalition.

The Commission's decision in this proceeding will have a profound impact on the continued viability of free, local, over-the-air television service. Before hastily adopting rules that could irreversibly damage this important public service, the Commission first should issue a public notice seeking comment from members of the public on the 400-page OET report that was released just five days ago.

Respectfully submitted,

/s/  
Darrell Brown
