UNCLASSIFIED

September 12, 2018

To Whom It May Concern:

The bearer of this letter is providing emergency communications restoration support to critical communications infrastructure facilities in response to:

Hurricane Florence – FEMA Region III & IV

(PA, WV, VA, DC, MD, DE, KY, TN, MS, AL, GA, FL, NC, SC)

These critical communications facilities are necessary to ensure first/emergency responders and 911 communications capabilities are functional during this response and recovery period. In the course of providing this support, the bearer must be able to travel to and access the infrastructure facilities in order to prevent loss of service or restore critical communications services.

The Department of Homeland Security (DHS), National Coordinating Center (NCC) requests any courtesy that can be extended be offered to the bearer of this letter during this response. Request support through the following dates.

From: September 9, 2018 To: September 30, 2018

DHS/NCC greatly appreciates your cooperation and is working with the bearer to coordinate the rapid restoration of critical communications networks to help our community return to normal as quickly as possible.

The bearer is responsible for payment of services received.

DHS/NCC has a 24 hour point of contact to address any questions or concerns related to this request and can be reached at (703) 235-5080.
