a nephew of Philip Sitrick, 2635 Scott St., Davenport, has been named manager of publicity and informational services of the National Association of Radio and Television Broadcasters with

headquarters in Washington, D. C. He will take up his duties Feb. 1.

Mr. Sitrick has served with the federal government since 1948 — first as special events director for the Voice of America and later in various capacities as a Congressional correspondent for International Press Service.

He began his radio career in 1946 when he was an announcer on Station WHBF, Rock Island, and served on the staff of WSUI, Iowa City, while a student at the University of Iowa, where he was graduated with a degree in radio. Mr. Sitrick served in the United States Navy from 1943 to 1946, with 15 months of that time in combat duty in the Pacific theater.
