

WBAL-TV Viewers Thank the Station for Blizzard Coverage

Susan L. Bahr WBAL-TV 11 Baltimore I just want to give you and your news casters a HUGE SHOUT OUT!!! We can always count on you to be out there in the thick of things whether winter conditions or other news worthy conditions keeping us up to date and informed. Especially now. My heart goes out for all you guys out in this nasty night letting us know what to expect. Everyone forgets that without the news we would be in trouble. SO A BIG THANK YOU TO EACH AND EVERYONE OF YOU!!

Amanda Hieatzman Special shout out to all the staff at WBAL. I've been watching you guys off and on since 6 this morning. You guys have been great even though it's been a long day. Thanks for keeping us informed and your sense of humor!

Beth Templeton Callender Thank you all for your extended coverage yesterday, your endless hours of work inside and out, keeping us all informed. Many times during the day something you all said would put a smile on my face or make me break out into laughter. You all are the best. Thank you.

Amy Capuccio I'm impressed with all the newscasters. They've been working nonstop & they look great. Times like this I think they should be able to wear whatever they want & eat & drink on the air! Please tell them that! Thank you.
