

We Can Do This Month of Action

We have reached a pivotal moment in the pandemic. Which is why across the country people are coming together to help vaccinate as many people as possible by July 4th

[Your voices are critical, and we need your help](#)

About the Month of Action

Through July 4th, the We Can Do This Campaign is mobilizing national organizations, community-based partners, influencers, celebrities, athletes, and thousands of volunteers across the nation to empower their communities and get vaccinated. This month-long effort is mobilizing people to act on the importance of getting vaccinated.

How You Can Help

- **Host In-Person or Virtual Events:** The Month of Action will feature community vaccination and volunteer events across the country. Join the We Can Do This Campaign in hosting an event to engage your community. [Sign up here.](#)
- **Promote ways to get vaccinated:** Share our websites and text messaging tool on your social platforms to help your followers access available vaccines near them:
 - Vaccines.gov (English) and Vacunas.gov (Spanish)
 - Text your zip code to 438829 (GETVAX) in English or 822862 (VACUNA) in Spanish
 - Call 1-800-232-0233 for assistance in English, Spanish, and 150+ other languages
- **Join the COVID-19 Community Corps:** You're invited to support the effort by joining the over 12,000 COVID-19 Community Corps members. As a member, you'll receive the latest resources and invites to events through the Month of Action to help build vaccine confidence in your community. [Join today.](#)

Contact Us

We are here to be a resource to increase confidence in the COVID-19 vaccines. For more information on getting involved in the Month of Action, visit wecandothis.hhs.gov/.
